

1 Bligh, Sydney, NSW

1 Bligh Street, Sydney is the next generation in high performing sustainable office space, combining leading edge design, technology and sustainability in a premier location in Sydney's financial hub. Designed to achieve a 6 star Green StarOffice Design with a v2 Certified rating this flagship tower of 42,000sqm over 28 levels of office space has a full-height, naturally ventilated atrium which allows maximum natural light onto the floor plate. Safetyline Jalousie louvre windows were installed below the atrium roof to provide natural ventilation – the louvres automatically open or close according to the temperature outside the building. Safetyline Jalousie's robust design and weatherproof seals made the product the ideal choice for this cutting-edge project.
